Career Objective

Front-end developer with one year of experience looking to work as a freelancer or remotely part-time with flexible hours of work in a company to benefit from my experience.

Experience

March 2020

Self-learning

I started self-learning with some youtube channels and some beginner websites like W3Schools and i have started to build some simple components.

September 2020

Advanced self-learning

In this stage, I have started to learn from the technique's docs directly and I started to build full websites as a Front-end
